

Channel Partner (CP)

Monthly Earnings and Work Approach

The GIGIS™ C.P. operational method: Channel Affiliate

CP earns more than Rs.50,000/- in commission every month.

One CP is universal across every assembly constituency.

The town where the channel partner (CP) is situated should have a minimum of 500 square feet of office space.

The office should have a sufficient number of employees, two computers, and high-speed internet access.

A minimum of five service executives must be appointed by the channel partner (CP) within their limits.

The target for customer registration for the first three months must be completed by the CP (channel partner).

The channel partner's (CP) responsibility is to achieve the target in collaboration with the service executive.

CP will receive an incentive of Rs 50,000/- (fifty thousand) if they meet his target. In total, he will receive a monthly income of Rs 1,00,000/- (one lakh).

Additional Profits for CP:

- ❖ Rs 300 for every approved credit card.
- ❖ 1% of each loan amount disbursed (any type of loan).
- ❖ 0.5% percent for any project loan.
- ❖ A 2% fee on each insurance claim settlement.
- ❖ 1% for purchases made through e-commerce.
- ❖ GIGIS™ occasionally offers promotional gifts.

SC office, DC office, and central office should receive daily updates on CP work progress.
