

District Channel Partner (D.C.P)

Monthly Earnings and Work Strategy

Method of Operation of GIGIS™ D.C.P. (District Channel Partner)

There is one DCP per District.

DCP earns more than Rs.75,000/- in commission every month

The District in which the district channel partner (D.C.P) is located should have at least 500 square feet of office space.

The office requires high-speed internet, a minimum of 4 computers, and a skilled staff.

At least five Channel Partners must be appointed by the district.

DCP will receive an incentive of Rs 75,000/- if they meet the target. In total, they will receive a monthly income of Rs 1,50,000/- (one lakh fifty thousand).

The target for customer registration for the first three months must be completed by the DCP (District channel partner).

The District Channel Partner's (D.C.P) responsibility is to achieve the target in collaboration with the channel partners and service executives.

Compensation for channel partners (CP) is the responsibility of the (DCP) district channel partner.

Additional Profits for DCP:

- ❖ Rs 200 for every approved credit card.
- ❖ 1% of each loan amount disbursed (any type of loan).
- ❖ ½ percent for any project loan.
- ❖ A 3% fee on each insurance claim settlement.
- ❖ 1% for purchases made through e-commerce.
- ❖ GIGIS™ occasionally offers promotional gifts.

SC office, and central office should receive daily updates on work progress
