

# State Channel Partner (S.C.P)

## Monthly Earnings and Work Strategy

S.C.P earns over **Rs.1, 00,000** in commission each month..

In the state capital, S.C.P. should maintain a minimum of 1,000 SFT offices.

The office requires high-speed internet, a minimum of five computers, and a skilled staff.

At least ten DCPs must be appointed by the State Channel Partner (S.C.P.) within its jurisdiction.

After the target is achieved, the S.C.P will receive incentives amounting to Rs 1, 00,000. Specifically, the S.C.P earns **Rs. 2, 00,000** /- a month.

The customer registration target for the first three months must be met by the SCP (State Channel Partner).

Extra incentives will be granted to SCPs who achieve the goal on time.

The state channel partner's (SCP) role is to achieve the target in collaboration with the district channel partners, channel partners and service executive.

SCP is required to send their daily work progress to the central office.
